

## Dedication

This book is dedicated to

all Life in the Universes [Yes, that is right, I did mean to make the word “Universe” plural. There is more than one Universe. There are an unknown number of known and unknown Universes.]

Mother Earth/Father Sky.

to the worldwide Hip Hop Kulture.

all the poets, writers, sculptors, painters, musicians, singers, dancers, muralists, drawers/illustrators, dramatists/thespians /guerrilla theater artists, court jesters/fools, comedians, entertainers, activists, Lovers, Dreamers, Visionaries, Radical human beings, Revolutionaries, independently minded investigative journalists, metaphysicists, sacred geometrists, freedom/Truth Seekers, conscientious objectors to war /terrorism and other resisters to global domination/oppression, ecologists, healers of all forms, spiritual leaders and guides, organic and biodynamic farmers/gardeners, strugglers for freedom, and everyone else throughout the history of Time who have added their creative energy to the enhancement of Life for all of us on this one planet that we all share.

This book is also dedicated to the next SEVEN generations hoping that we will begin to heal and seek true Balance, Harmony, Inclusivity, and Peace with ourselves, with each other,

with the Earth, our Mother & with the Sky, our Father.

# Originally written in 2004 and slightly revised in 2014
