Fully engaged responsibility
Effectiveness of networked symbiotic syngergisms

Laughter
cOnnective sharings of circular attractive repulsions pulsating
Voluptuously
Evolving through a musikal resonance of frequent clouds of
opportunity

Ceasing only to flow into another harmonious pathway of least
resistance as a cascading waterfall passes into a wildly rushing
river of consciousness
Reaching within, out, beyond, behind, forward, diagonal, side-to-
side, sideways, abstractly, yet concretely
Excellence (nuff said ☺]
Actively nonacting
Tactilely explicit in an implicit casualty of significance over
success
Invoking a libatious call to the ancestors, children of today, and

those children yet to arrive {we ARE aLL children)
Vociferous volatlimous vascular vantage
Every being creates & is created – It is our birthright to be
creative

Source of Life

Now there is an idea

Move the two molecules hydrogenically bonded to one molecule
within us all
Observe with every fiber of Ur being
Optically opaque keen sensitivity
New emergence from a designated process from meaningful
formulas chaotically ordered systematically fruitful is a matter of
fact
